

The Grim Reaper is waiting for YOU.

at the 14th Annual
Fast & Vigil to
ABOLISH THE
DEATH PENALTY!

WHO: Anyone who is against the Death Penalty -- seasoned abolitionists and those new to the movement alike. Come, learn some new tricks and share your own, make an impact and meet others who work for the cause.... Abolition work made fun!

WHAT: A four day vigil maintaining a presence at SCOTUS, the Supreme Court Of The United States. Some of the participants fast during this time, but fasting is not required. We encounter thousands of visitors to the Court and share our message that no matter how you slice it, the death penalty is BAD PUBLIC POLICY. Much of the time is spent talking to individuals and creating visibility. Several larger events are held at key times during the event to highlight specific concerns, with a series of speakers each evening to educate, enlighten and entertain...

WHERE: In front of SCOTUS on Capital Hill in Washington, DC. With much gratitude to co-sponsorship from the United Methodist Church General Board of Church and Society, we continue to enjoy access to air conditioned space for HQ, rest rooms, etc. immediately across the street, at the United Methodist Church building. It's Direct Action made easy!

WHEN: 12 am, June 29 to midnight, July 2. Attend the full event: Arrive June 28/depart on July 3, 2007

WHY: The purpose of this event is to maintain a presence at SCOTUS between the dates of the anniversaries of when the death penalty was ruled unconstitutional in practice in 1972, and when new laws were upheld in 1976. While the Court may not be in session and Congress is in recess, this presence is more than symbolic.

COST: Minimal - mainly transportation to DC and personal expenses. We have dirt-cheap lodging!
